

JKISHIN JU JITSU ASSOCIATION NATIONAL DAN GRADINGS

SUNDAY, 5th June, saw the association's first Dan Grading of 1994, 30 members taking part were successful and many fine displays of the many skills related to Ju Jitsu were watched by those involved. The first to demonstrate the skills were the two juniors, Mark Grimmond and Edward Moughton, whose ability at a young age was a joy to see. Then came the adults for Shodan who worked for a long period in warm conditions, a smaller number then followed for Nidan and finally two members for Sandan. Congratulations to all those who were successful and we look forward to watching you all progress as Coaches and supporters of the association.

Those successful are pictured, they are;
